Rights and obligations of the Testing School

By participating as Testing School in the SUPERCOMET 2 Project, we have the following rights and obligations:

- We will attend a free teacher seminar given by the SUPERCOMET 2 Partner.
- We will attend local project meetings as agreed with the SUPERCOMET 2 Partner.
- We will perform classroom testing of the teacher guide and computer application in 2005/06.
- When we have completed the testing as specified by the SUPERCOMET 2 Partner, we get a free right to use the teacher guide and computer application developed in the SUPERCOMET 2 project in our regular activities.
- We will also receive a free copy of these materials once the final version is produced in 2007.
- We are not allowed to lend, hire or sell any of these products to any other organization or person, for free or for payment.
- We may inform other interested schools that if they want to become Testing Schools for SUPERCOMET 2, they need to contact the SUPERCOMET 2 Partner and sign this agreement.
